About Berkley Construction Professional

Berkley Construction Professional provides professional liability, pollution liability, and protective professional indemnity insurance for contractors and construction project owners. Focused exclusively on the construction industry, we deliver customized insurance solutions for complex risks through deep industry expertise, experienced underwriting, and responsive service. Our brokers value our collaborative approach and specialized knowledge, while policyholders benefit from industry-specific risk management resources, dedicated in-house claims professionals, and the peace of mind that comes from working with a financially sound insurer dedicated to protecting their business, reputation, and long-term success.

Berkley Construction Professional, a division of Berkley Alliance Managers, is a member of W. R. Berkley Corporation, a Fortune 500 company that is part of the S&P 500. W. R. Berkley Corporation's insurance company subsidiaries are rated A+ (Superior) by AM Best. Learn more at berkleycp.com.

Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
